Answer

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA)

(a) & (b) No Sir. So far as AIIMS is concerned, no patient who has been referred from CGHS for getting treatment at AIIMS is referred back to Safdarjung Hospital.

Sometimes, the patients who come to AIIMS Casualty are asked to get admission in Safdarjung Hospital when no beds are available for their admission in AIIMS hospital.However, in emergency, the patients may get admitted in any nearby Hospital and the reimbursement is done as per CGHS approved rates.

(c) In view of (a) & (b) above, the question does not arise.
